# Bona Hard-Surface Cleaner

Bona Hard-Surface Cleaner is a ready-to-use cleaner designed for the cleaning of sealed hard surface floors including ceramic tiles, laminates, linoleum, vinyl, marble and more. It can be used with the Bona Spray mop or with similar systems. Alternatively, simply use the cleaning spray with a cloth.

- Specifically designed for sealed hard surface floors
- Leaves no dulling residue
- For daily maintenance and regular cleaning

## Technical data

PH value:	Approx. 7
Safety:	Unclassified
Shelf life:	At least 3 years, from the date of production, in unopened original container
Storage / transport:	The temperature must not fall below +5°C or exceed +25°C during storage and transport
Disposal:	Empty containers are recyclable as hard plastic.
Pack size:	1 Lt Spray bottle / 2.5 & 4 Lt Refill bottle 0.85 Lt Spray mop cartridge
Certification:	Greenguard GOLD

## Preparation

Remove loose dust/grit etc. using a vacuum cleaner, Bona Dusting cloth or other dry cleaning method.

## Application

Spray a few square metres of the floor and wipe the surface using a Bona Spray mop and Bona Microfiber Cleaning pad. Replace or rinse the Bona Cleaning Pad after approx. 10 – 15 m<sup>2</sup> to ensure that the dirt and cleaner residues can be taken from the floor whilst cleaning.

On stubborn spots, rubber heel marks or sticky spills etc. spray Bona Hard-Surface Floor Cleaner directly onto the affected area and let it work for a few minutes. Scrub the spot clean with a cleaning pad
